Important for class and aperos

- Use name tags
- Use your first/call name as zoom name
- Keep your camera turned on whenever you can
- Reserve time in the afternoon for (home) work

First Aperos (voluntary)

Friday 23 at 5 pm in front of this building

- Together with CAS ADS and CAS AML
- Ideally you plan working on your module project till the apero starts

Friday 30 at 14:30 - 16:30 - poster session

- ExWi ground floor, Sidlerstrasse 5
- In the poster session you can see CAS projects from this year
